

REMARKS

Entry of the above amendment and reconsideration of the above-referenced application in view of the above amendment, and of the following remarks, is respectfully requested.

Claim 1-7, 9-11, and 13-19 are pending in this case. Claims 9-11 are amended herein to correct their dependency and claim 21 is cancelled herein. Claims 1-7, 9-11 and 13-19 stand allowed.

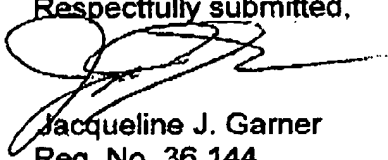

The Examiner rejected claim 21 under 35 U.S.C. § 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Claim 21 is cancelled.

The Examiner rejected claim 21 under 35 U.S.C. § 102(e) as being anticipated by Uzoh et al. (U.S. 6,123,825). As noted above, claim 21 is cancelled.

In light of the above, Applicant respectfully requests withdrawal of the Examiner's rejections and allowance of claims 1-7, 9-11, and 13-19. If the Examiner has any questions or other correspondence regarding this application, Applicant requests that the Examiner contact Applicant's attorney at the below listed telephone number and address.
